Personal Profile OR Personal Statement (your choice)

(This paragraph gives a description of what you are like and the skills and strengths you can bring to a company. What are you good at?)

I am currently in year 11 and have very good communication and listening skills. My work experience at my local nursery has assisted in developing my skills with working with children and as part of a team. I am very confident and ready for a challenge which will enable me to develop new skills required for my future job roles related to the caring field.
